

## Our Mission Statement

The Motto of our school's patron Saint, Pius X is

To Restore All things in Christ

St Pius X RCVA Primary School is like a family, where everyone is welcomed; where everyone is loved, respected and cared for; where everyone is helped to achieve their very best and where God is at the heart of everything we do. We endeavour to support all members of the school community in discovering and developing their own special talents and gifts whilst fostering a love of learning, a wonder of creation, a respect for themselves and others, and a desire to be the best people they can be.

Our aim therefore is to deliver the whole curriculum in Christ, enabling ALL of our pupils to learn and be nurtured in a warm, supportive and inclusive school where stakeholders are committed to raising the aspirations, access and attainment of all learners.

We value:

- each individual
- the teachings of the Catholic church and respect for our traditions alongside those of other cultures
- a well rounded curriculum that encompasses both academic, creative, artistic, technological and extra-curricular activity
- high standards, ensuring everyone reaches their potential and celebrate personal successes and achievements both in and out of school
- tolerance and respect for others, facilitating equality of opportunity and a respect for other faiths and cultures in school and in the wider community
- the development of responsible and considerate citizens who have a respect for diversity and human rights
- a variety of opportunities for every pupil to discover their own talents and be challenged and inspired
- the building of self-esteem so that pupils develop the confidence to have open hearts, open minds and the courage to be true to themselves
- development of resilience, determination and desire to achieve
- enthusiasm, commitment and self-discipline
- parents and carers and the partnership between home, school and parish
