

Sport Premium Funding

Through a new 'Sport Premium' the Government is providing £150 million over three academic years to support the delivery of PE and sport in primary schools.

This funding will be ring fenced, and will be allocated directly to primary schools across England, providing them with dedicated resource to buy in invaluable expertise and support. Primary schools will be able to determine what they believe to be the most appropriate use of this funding.

The funding amount schools receive is based upon the number of children of primary age the school has. The sport premium is to be used to increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport.

At **St Pius x RCVA Primary**, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.
