

Pupil Premium Impact 2016-17

Pupils eligible for free school meals, or those who have been eligible in the past six years are supported by additional funding in our school. We have used this funding to narrow the gap between the attainment of FSM pupils against non-school meals pupils.

Pupils who are looked after (in the care of the local authority) or have been previously looked after, also receive additional funding. We also allocate support for our pupils with English as an additional language. Cohorts (year groups) of pupils differ greatly within our setting and therefore staff track the progress of all groups at classroom level. Some pupils might be on FSM AND have Special Educational Needs, for example. Therefore we treat our data with caution and focus upon individual pupils within our small school setting.

Total allocation for Pupil Premium for 2016-17	How the money was used.	The impact of Pupil Premium spend
£27,980		
£9,331.50	1 day approx. of additional booster teacher to work with Key stage 2 pupil premium children for English and Maths	Closing of gaps for FSM pupils
£7,498	'Floating' booster TA to deliver interventions where required	Targeted support for FSM pupils resulted in better outcomes
£3,000	Symphony Maths and Lexia online programmes to support Maths and spelling	Improved Phonic tests and retests for Year 2
