

St Pius X RCVA Primary School

Pupil Premium Strategy Statement 2020-21

1. Rationale

At St Pius X RCVA Primary School we do not have a high proportion of pupils eligible for Pupil Premium funding. However, we do have a higher percentage of children who may come from families who are on the cusp of the benchmark for claiming benefits and tax credits. We are very mindful of this when we use our pupil premium funding. In the current climate, the COVID Catch Up funding (see document for 2020) is also used to support pupils in reaching their potential and to remove barriers to learning. Cohorts have various needs and funding is focusd year on year where it is most need to raise attainment in English and Maths.

2. Reception – Year 6 Pupil Premium Funding

Additional Funding Supporting Provision
<p>The school receives additional top up funding to support pupils with additional needs. The school has 9 pupils with an EHCP funding and the additional support we receive into school primarily goes on support staff. The Year ¾ class has 3 fulltime TAs who are employed to work with children with SEND. The additional costs to school for these staff is invested in PP children within the class group and supports interventions and in class support.</p> <p>School funding is also used to purchase additional resources, provide FSM vouchers and packs for pupils and families requiring support over lockdown with food, stationary items, resources.</p> <p>Pupils eligible for FSM are supported with music tuition from school budget</p>
